

UK Car Park Management

THE LEADING NAME IN PARKING MANAGEMENT

Independent Appeals Service

WHO WE ARE

Our mission is to:

- Improve our client’s business performance, create sustainable solutions, whilst optimising driver experience
- Support mobility transformation in our chosen markets

We go further than traditional car park management companies, working in collaboration with our clients.

We want to raise standards within the parking industry promoting regulatory compliance.

OUR CLIENTS

TESTIMONIAL

"UKCPM mobilised the service in a tight timescale (6 weeks) and carried out all installation work out of hours to avoid any inconvenience.

UKCPM has regular meetings with us and advise on any changes or service enhancements to improve the user experience.

There are no performance issues; any issues or complaints are always dealt with very swiftly."

Operations Director, North Middlesex University NHS Trust.

OUR SOLUTIONS

The customer journey often starts and ends at the car park. Our proposition is designed to create a seamless and positive experience, providing tailored and bespoke solutions to meet individual requirements and needs allows us to deliver a service perfectly suited to your user community.
